- (d) The shares shall be divided into such Sub-Funds and may be further divided into such classes as the Directors may from time to time determine and such Sub-Funds and classes shall have such names or designations as the Directors may from time to time determine. All monies payable in respect of a share (including without limitation, the subscription and repurchase monies and dividends in respect thereof) shall be paid in the class currency in which the share is designated or in such other currency or currencies as the Directors may determine either generally or in relation to a particular Sub-Fund or class. Different classes of shares shall not be treated as separate classes for voting purposes unless the matter being voted upon would constitute a variation or abrogation of the rights of the relevant class.
- (e) The Directors may delegate to the Manager or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new shares.
- (f) The Directors or their delegate in their absolute discretion may refuse to accept any application for shares in the Company or may accept any application in whole or in part.

- (h) No person shall be recognised by the Company as holding any shares on trust and the Company shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any share, except an absolute right of title thereto in the registered holder.

  - (i) consolidate and divide all or any of its share capital into shares of larger amount; or
  - (ii) subject to the provisions of the Companies Act, subdivide its shares or any of them into shares of smaller amount or value, (and so that the resolution whereby any share is sub-divided may determine that, as between the Members of the shares resulting from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares).

## 5. THE SUB-FUNDS AND SEGREGATION OF LIABILITY

- (a) The Company is an umbrella fund with segregated liability between Sub-Funds and each Sub-Fund may be comprised of one or more classes of shares in the Company, including hedged and unhedged currency share classes. The list of Sub-Funds currently authorised by the Central Bank is set out in the Prospectus, which may be amended or supplemented from time to time, each of which may comprise of one or more separate classes of shares or series of shares on such terms as the Directors may resolve, in accordance with the requirements of the Central Bank. With the prior approval of the Central Bank, the Directors from time to time may establish a Sub-Fund by the issue of one or more separate classes or series of shares, including hedged and unhedged classes, on such terms as the Directors may resolve in accordance with the requirements of the Central Bank. Shares may be issued with such voting rights and rights to participate in the dividends and assets of a Sub-Fund or of the Company as the Directors from time to time may determine and set forth in the Prospectus. The Directors may restrict the voting rights attached to any class of shares provided that the decision to invest in such shares is made by the Members and not the Company. In particular, and without prejudice to the generality of the foregoing, the Directors may issue one or more classes of shares the voting rights of which shall be restricted on the basis that the Members shall be precluded from voting in respect of any Ordinary

Resolution and any Special Resolution provided that the resolution shall not become effective unless the Members shall have been provided with a certain number of days' notice of the date on which the particular resolution is to be effected as is described in the Prospectus. The decision to subscribe for any class of shares in respect of which the voting rights are restricted is made solely by the investor.

- (b) The Directors from time to time may establish one or more separate classes of shares within each Sub-Fund on such terms as the Directors may resolve on notice to, and in accordance with the requirements of, the Central Bank. Such classes may be hedged or unhedged share classes provided that in valuing such classes the resultant costs and gains or losses attributable to a class shall be deemed to be class expenses as defined below for the purposes of Article 15. The hedged transactions must be clearly attributable to a specific class and the currency share classes may only be leveraged to the extent of the parameters set out in the Prospectus.
- (c) The Directors are hereby authorised from time to time to re-designate any existing class of shares in a Sub-Fund and merge such class of shares with any other class of shares in such Sub-Fund, provided that Members in such class or classes are first notified by the Company and given the opportunity to have the shares repurchased. With the prior consent of the Directors, Members may convert shares in one class of shares into shares of another class in the Company in accordance with the provisions of Article 9 hereof.
- (d) For the purpose of enabling shares of one class to be re-designated or converted into shares of another class the Company may, subject to the Regulations, take such action as may be necessary to vary or abrogate the rights attached to shares of one class to be converted so that such rights are replaced by the rights attached to the other class into which the shares of the original class are to be converted.
- (e) The records and accounts of each Sub-Fund shall be maintained separately and the assets and liabilities of each Sub-Fund shall be allocated in the following manner:
  - (i) the proceeds from the issue of shares representing a Sub-Fund shall be applied in the books and records of the Company to that Sub-Fund, and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Sub-Fund subject to the provisions of this Article;
  - (ii) where any asset is derived from another asset, such derivative asset shall be applied in the books and records of the Company to the same Sub-Fund as the assets from which it was derived and in each valuation of an asset, the increase or diminution in value shall be applied to the relevant Sub-Fund;
  - (iii) where the Company incurs a liability which relates to any asset of a particular Sub-Fund or to any action taken in connection with an asset

of a particular Sub-Fund, such a liability shall be allocated to the relevant Sub-Fund;

- (iv) where an asset or a liability of the Company cannot be considered as being attributable to a particular Sub-Fund, such asset or liability, subject to the approval of the Depositary, shall be allocated to all the Sub-Funds pro rata to the Net Asset Value of each Sub-Fund; and
- (v) where hedging strategies are used in relation to a Sub-Fund or class, the financial instruments used to implement such strategies shall be deemed to be assets or liabilities (as the case may be) of the relevant Sub-Fund as a whole but the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant class. Where hedging or other investment strategies are applied at share class level, the relevant trading documentation shall reflect any measures agreed which seek to limit the trading counterparty's recourse to the assets of the relevant Sub-Fund that correspond with the pro rata portion thereof of the relevant share class;

provided that when issuing a class of shares in regard to any Sub-Fund, the Directors may allocate Commission, Duties and Charges and ongoing expenses on a basis which is different from that which applies in the case of shares in other classes in the Sub-Fund.

- (f) Notwithstanding any statutory provision or rule of law to the contrary, any liability incurred on behalf of or attributable to any Sub-Fund of the Company shall be discharged solely out of the assets of that Sub-Fund, and neither the Company nor any Director, receiver, examiner, liquidator, provisional liquidator or other person shall apply, nor be obliged to apply, the assets of any such Sub-Fund in satisfaction of any liability incurred on behalf of, or attributable to, any other Sub-Fund.
- (g) There shall be implied in every contract, agreement, arrangement or transaction entered into by the Company the following terms, that:
  - (i) the party or parties contracting with the Company shall not seek, whether in any proceedings or by any other means whatsoever or wheresoever, to have recourse to any assets of any Sub-Fund in the discharge of all or any part of a liability which was not incurred on behalf of that Sub-Fund;
  - (ii) if any party contracting with the Company shall succeed by any means whatsoever or wheresoever in having recourse to any assets of any Sub-Fund in the discharge of all or any part of a liability which was not incurred on behalf of that Sub-Fund, that party shall be liable to the Company to pay a sum equal to the value of the benefit thereby obtained by it; and
  - (iii) if any party contracting with the Company shall succeed in seizing or attaching by any means, or otherwise levying execution against any assets of a Sub-Fund in respect of a liability which was not incurred on

behalf of that Sub-Fund, that party shall hold those assets or the direct or indirect proceeds of the sale of such assets on trust for the Company and shall keep those assets or proceeds separate and identifiable as such trust property.

- (h) All sums recoverable by the Company as a result of any such trust as is described in Article 5(g)(iii) shall be credited against any concurrent liability pursuant to the implied terms set out in Article 5(g).
- (i) Any asset or sum recovered by the Company pursuant to the implied terms set out in Article 5(g) or by any other means whatsoever or wheresoever in the events referred to in those paragraphs shall, after the deduction or payment of any costs of recovery, be applied so as to compensate the Sub-Fund.
- (j) In the event that assets attributable to a Sub-Fund are taken in execution of a liability not attributable to that Sub-Fund, and in so far as such assets or compensation in respect thereof cannot otherwise be restored to that Sub-Fund affected, the Directors, with the consent of the Depositary, shall certify or cause to be certified, the value of the assets lost to the Sub-Fund affected and transfer or pay from the assets of the Sub-Fund or Sub-Funds to which the liability was attributable, in priority to all other claims against such Sub-Fund or Sub-Funds, assets or sums sufficient to restore to the Sub-Fund affected, the value of the assets or sums lost to it.
- (k) A Sub-Fund is not a legal person separate from the Company but the Company may sue and be sued in respect of a particular Sub-Fund and may exercise the same rights of set-off, if any, as between its Sub-Funds as apply at law in respect of companies and the property of a Sub-Fund is subject to orders of the court as it would have been if the Sub-Fund were a separate legal person.
- (l) Separate records shall be maintained in respect of each class of shares and each Sub-Fund.
- (m) The Company may establish, maintain and operate one or more cash accounts in respect of each Sub-Fund and/or umbrella cash accounts and/or cash accounts in which more than one Sub-Fund participates, through which subscriptions, repurchases and other cash flows to and from investors can be managed or facilitated in accordance with requirements of the Central Bank.

- (e) The Directors shall cause to be entered in the Register, in addition to the particulars required to be so entered by law, the following particulars:
  - (i) the name and address of each Member (save that in the case of joint holders, the address of the first named holder only need be entered), a statement of the shares of each class held by him and of the amount paid or agreed to be considered as paid on such shares;
  - (ii) the date on which each person was entered in the Register as a Member; and

- (f) The Register shall be kept in such manner as to show at all times the Members of the Company for the time being and the shares respectively held by them.

- (j) Where two or more persons are registered as the holders of any shares they shall be deemed to hold the same as joint holders, subject to the following provisions:

- (i) the joint holders of any shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such shares;
  - (ii) any one of such joint holders may give effectual receipts for any dividend, bonus or return of capital payable to such joint holders;
  - (iii) only the first-named of the joint holders of a share shall be entitled to delivery of the written confirmation of ownership relating to such share or to receive notices from the Company to attend general meetings of the Company. In such cases, the Company may charge the applicant for any resulting bank charges or market losses incurred by the Company, or alternatively, the applicant may be charged interest together with an administration fee. In advance of shares being allotted and deemed to be in issue, the Company shall account to the subscriber for any subscription monies held by the Company in respect thereof as a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such subscriber or other person.

Any currency hedging transaction relating to a hedged currency share class shall be valued in accordance with the provisions of Article 15 and shall be clearly attributable to the specific hedged currency share class. None of the hedged currency share classes shall be leveraged as a result of such currency hedging.
- (f) The Directors shall be entitled to issue fractional shares (hereinafter called "Fractional Shares") where the subscription monies received by the Company are insufficient to purchase an integral number of shares, provided, however,

that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value of a Fractional Share of any class of shares shall be adjusted by the amount which such Fractional Share bears to an integral share of that class of shares at the time of issue and any dividend payable on such Fractional Shares shall be adjusted in like manner. Fractional Shares will be issued to such number of decimal places as determined by the Directors from time to time and as specified in the Prospectus.

where:

- NS = the number of New Shares which will be issued; and
- A = the number of Original Shares to be converted; and
- B = the repurchase price of such Original Share on the relevant Dealing Day, after deducting Commission, if any; and

- C = the rate of exchange determined by the Directors for converting the Base Currency of the Original Shares into the Base Currency of the New Shares;

- (b) The Company may, without prejudice to any rights previously conferred on the holders of any existing class of shares, on any Dealing Day compulsorily exchange all or any shares of one class in a Sub-Fund for shares of any other class of the same Sub-Fund by such reasonable notice as the Directors may determine, provided this does not materially prejudice the interests of holders of the relevant class.
- (c) The Directors may, at their discretion, refuse to effect a conversion request without giving any reason for such refusal. In addition, restrictions may apply on making exchanges between certain share classes as may be set out in the relevant Supplement(s).

## 10. PRICE PER SHARE

- (a) The Initial Price per share at which the shares of any class shall be allotted or issued and the Commission payable on the Initial Price and the Initial Offer Period in relation to any Sub-Fund shall be determined by the Directors. In calculating the price per share for any Sub-Fund the Directors may on any Dealing Day and in the case of net subscriptions in respect of any Sub-Fund, adjust the price per share by adding an anti-dilution levy to reflect the impact of market spreads and other dealing costs and to preserve the value of the underlying assets of the Sub-Fund.
- (b) The price of any share on any Dealing Day following the Initial Offer Period in respect of such share shall be the applicable Net Asset Value of such share as determined in accordance with Articles 14 and 15 adjusted in such manner as may be provided for in the Prospectus to cover any Commission and/or other Duties and Charges payable which may, on any Dealing Day when there are net redemptions or net subscriptions include a Dilution Adjustment to cover dealing costs and to preserve the value of the underlying assets of the Company.

- (c) The Directors or their delegate may require an applicant for shares to pay to the Company in addition to the price per share such Duties and Charges in respect of the shares as the Directors from time to time may determine.
- (d) Subject to the provisions of the Regulations, the Directors or their delegate on or with effect from any Dealing Day may issue shares (which may be subject to a Commission) on terms providing for settlement to be made by the vesting in the Company of any Investments for the time being held or which may be held hereunder and would qualify as Investments of the relevant Sub-Fund in accordance with the investment objectives, policies and restrictions of the Sub-Fund and in connection therewith the following provisions shall apply:
  - (i) the Directors shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Members in the relevant Sub-Fund;
  - (ii) the number of shares to be issued shall be not more than the number which would have been issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Depository on behalf of the Company as determined by the Directors on the relevant Dealing Day;
  - (iii) no shares shall be issued until the Investments shall have been vested in the Depository to the Depository's satisfaction;
  - (iv) any Duties and Charges or Commission arising in connection with the vesting of such Investments in the Company shall be paid by the person to whom the shares are to be issued; and
  - (v) the Depository shall be satisfied that the terms on which the shares are issued shall not be such as are likely to result in any prejudice to the existing Members in the relevant Sub-Fund.
- (e) No shares shall be issued on any Dealing Day in respect of any Sub-Fund on which the determination of the Net Asset Value of the Company or the determination of the Net Asset Value of the relevant Sub-Fund is suspended pursuant to Article 14 hereof.

## 11. **QUALIFIED HOLDERS**

- (a) No shares (other than the Subscriber Shares which may be issued to the Manager or its nominees) shall be allotted or issued to or transferred to or be beneficially owned by any U.S. Person. Each subscriber for shares of the Company shall be required to certify that he is not, nor is he acquiring such shares on behalf of, or for the benefit of, a U.S. Person and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such shares in the U.S. or to, or for the benefit of, a U.S. Person. No transfer of shares shall be recorded on the Register unless:

- (i) the seller shall certify to the Company that such sale is not being made directly or indirectly to a U.S. Person; and
  - (ii) the purchaser shall certify to the Company that it is not, nor is it acquiring such shares on behalf of or for the benefit of, a U.S. Person; and
  - (iii) the subscriber or transferee, as the case may be, shall provide the Company with such declarations as to tax residence or ordinary tax residence as may be requested by the Company from time to time whether in respect of the subscriber or transferee, as appropriate, (or of the proposed beneficial owner where the subscriber or transferee is acting as an intermediary).
- (b) The Directors or their delegate shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in these Articles) as they may think necessary for the purpose of ensuring that no shares in the Company are acquired or held by any person as described in Article 11(a) or 11(e).
- (c) The Directors or their delegate may upon an application for shares or on a transfer or transmission of shares or at any other time and from time to time require such evidence or declarations to be furnished to them in connection with the matters stated in Articles 11(a) and 11(e) as they shall in their discretion deem sufficient.
- (d) If a person becomes aware that he is holding or owning shares in contravention of Article 11 he shall forthwith in writing request the Company to repurchase such shares in accordance with Article 12 or shall transfer such shares to a person duly qualified to hold the same unless he has already received a notice under Article 11(f).
- (e) If it shall come to the notice of the Directors or their delegate or if the Directors or their delegate shall have reason to believe that any shares are owned directly or beneficially by:
- (i) any person in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares;
  - (ii) any person who is, or has acquired such shares on behalf of or for the benefit of, a U.S. Person (unless pursuant to an exemption under U.S. Securities laws);
  - (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons whether connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company or any Member:

- (A) incurring any liability to taxation or suffering pecuniary, legal or administrative disadvantages which the Company or such Member might not otherwise have incurred or suffered; or
  - (B) being in breach of any law or regulation which the Company might not have otherwise incurred, suffered or breached; or
  - (C) becoming subject to the registration requirements under the Securities Act, or the U.S. Investment Company Act of 1940, as amended, or the requirements of the U.S. Employee Retirement Security Act of 1974, as amended; or
- (iv) an individual who is under the age of 18 (or such other age as the Directors may think fit) or person of unsound mind;
  - (v) any person who does not supply any of the information or declarations required hereunder within seven (7) days of a request to do so being sent by the Directors or their delegate;
  - (vi) any person who has engaged in excessive dealing as may be described in the Prospectus;
  - (vii) any person unless the transferee of such Shares would, following such transfer be the holder of Shares equal or greater to the Minimum Initial Investment Amount;
  - (viii) any person who holds less than the Minimum Holding, if any as set out in the Prospectus;
  - (ix) any person where in respect of such transfer any payment of taxation remains outstanding;
  - (x) any person who does not meet such eligibility conditions for the relevant class of shares in the Company as may be referred to in the Prospectus;
  - (xi) any person who has not provided the Company with all supporting anti-money laundering or related documentation and such other information as the Company may reasonably require by such time as may from time to time be specified in the Prospectus or otherwise; or
  - (xii) any other circumstances prohibited by the Articles as described herein.
- (f) The Directors, or their delegate shall be entitled to give notice (in such form as the Directors deem appropriate) to such person or persons requiring him or them to transfer such shares to a person who is qualified or entitled to own the same or to request in writing the repurchase of such shares in accordance with Article 12. References in these Articles to "Permitted Investor" means any person other than any of the persons specified in Articles 11(a) and 11(e) above.

- (g) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to Article 11(a) or 11(e). The Directors may, however, on an application for shares or at any other time and from time to time, require such evidence and/or undertakings to be furnished to them in connection with the matters stated in this Article 11 as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Member or joint Member as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to Article 11(e).
- (h) If it shall come to the notice of the Directors that any shares are or may be owned or held directly or beneficially by any person who is not a Permitted Investor (the "relevant shares"), the Directors may give notice to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a Permitted Investor. If any person on whom such a notice is served pursuant to this Article 11(e) does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a Permitted Investor, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion on the expiration of such 21 days either arrange the transfer of all the relevant shares to a Permitted Investor in accordance with Article 11(j) below or arrange for the relevant shares to be repurchased by the Company at the relevant repurchase price. The holder of the relevant shares shall be bound immediately to deliver their certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on the Member's behalf such documents as may be required for the purpose of the transfer or repurchase, as the case may be, of the relevant shares by the Company. The holder of the relevant Shares shall also indemnify the Company for any loss, costs or expenses incurred by the Company by virtue of that Member not being a Permitted Investor.
- (i) A person who becomes aware that they hold or own relevant shares shall forthwith unless they have already received a notice pursuant to Article 11(e) above transfer all their relevant shares to a Permitted Investor or with the approval of the Directors request the repurchase of the shares.
- (j) A transfer of relevant shares arranged by the Directors pursuant to Article 11(h) above shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other Permitted Investors or repurchase by the Company. Any payment received by the Company for the relevant shares so transferred shall

be paid to the person whose shares have been so transferred subject to Article 11(k) below.

- (k) Subject to any requisite official consents first having been obtained, settlement shall be effected by depositing the repurchase monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of such evidence of ownership as the Directors or their delegate may require representing the shares previously held by such person, together with the repurchase request duly signed. Upon deposit of such repurchase monies as aforesaid such person shall have no further interest in such shares or any of them or any claim in respect thereof except the right to claim without recourse to the Company the repurchase monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the repurchase request duly signed. The amount due to such person will be deposited by the Company in a bank for payment to such person on such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. On deposit of such amount as aforesaid, such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof, except the right to receive such amount so deposited (without interest) on such consents as aforesaid being obtained.
- (l) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Article 11. The exercise of the powers conferred by this Article 11 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (m) The Directors may resolve that the provisions of the foregoing Article 11 shall be disapplied, in whole or in part, for a defined period or otherwise, in the case of U.S. Persons where such disapplication would not result in the Company being exposed to taxation which it would not otherwise incur.
- (n) Without prejudice to all other powers of the Company contained herein, the Company shall have the power to freeze the shares of any Member where the Member or their beneficial owner is subject to financial sanctions imposed by any relevant authority, including but not limited to the European Union, the United Nations or any other applicable jurisdiction.
- (o) Upon becoming aware that a Member or their beneficial owner is subject to financial sanctions, the Directors shall implement the freezing of shares by instructing the Administrator to restrict any transactions involving the affected shares, including but not limited to subscriptions, redemptions, transfers, voting rights and rights to dividend payments.
- (p) The Company shall comply with all reporting requirements and obligations imposed by relevant authorities in relation to financial sanctions. The

Company may share information about the affected Member with such authorities as required by law.

- (q) The Directors shall periodically review the status of the financial sanctions and take appropriate action if there are any changes. The freezing of shares shall remain in effect for as long as the financial sanctions are in place unless the Company (with regulatory clearance where appropriate) elects to affect a compulsory repurchase of the shares and facilitates the freezing of redemption proceeds or to take any other alternative action in accordance with applicable law.
- (r) The Company shall release the frozen shares and lift any restrictions on transactions involving such shares upon receiving satisfactory evidence that the financial sanctions have been lifted or are no longer applicable to the Member or their beneficial owner.
- (s) The Company shall not be liable for any loss or damage suffered by a Member as a result of the freezing of their shares in compliance with financial sanctions.
- (t) The Company shall have the right to apportion any costs, fees, or expenses incurred in complying with financial sanctions obligations directly to the specific Member who is subject to such financial sanctions and any such amount may be applied to such Member as a compulsory redemption of shares or as a deduction from any redemption proceeds owed to the Member upon a redemption.

## 12. REPURCHASE OF SHARES

- (a) The Company may repurchase its own outstanding fully paid shares at any time. A Member may at any time irrevocably request the Company to repurchase all or any part of his shares in the Company and such request shall be in such form and shall be made in such manner and shall be received by such time on or before a Dealing Day as may be set out in the Prospectus or otherwise determined by the Company from time to time.
- (b) A request for repurchase of shares shall be in such form as the Company shall prescribe, shall be irrevocable and, unless otherwise provided for in the Prospectus, shall be filed by a Member in written form at the registered office of the Company, or at the office of the person or entity from time to time designated by the Company as its agent for the repurchase of shares, and, at the request of the Company shall be accompanied by the confirmation of ownership (duly endorsed by the Member) or by proper evidence of succession or assignment satisfactory to the Company together with unmatured dividend coupons, if applicable.
- (c) On receipt of a request for repurchase of shares duly completed the Company shall repurchase the shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Article 14 hereof. Shares in the capital of the Company which are repurchased by the Company shall be cancelled.

- (d) The repurchase price per share shall be the applicable Net Asset Value for such share obtained on the Dealing Day on which the repurchase request is effective, subject to such adjustments in respect of Commission or other charge as may be set out in the Prospectus or as provided for herein. In calculating the repurchase price per share of a Sub-Fund, the Directors may on any Dealing Day, when there are net repurchases in respect of any Sub-Fund adjust the repurchase price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the Sub-Fund.
- (e) The Directors may on any Dealing Day require a Member to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a repurchase charge in respect of each share to be repurchased of not more than 3% of the repurchase price of a share of the relevant class prevailing on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Member in respect of the shares to be repurchased. The Directors may on any Dealing Day differentiate between Members as to the amount of the repurchase charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of repurchase charge to be levied on each class of share (subject to the maximum aforesaid).
- (f) The Company shall not increase the maximum charge relating to the redemption or repurchase of shares without prior approval of Members given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Members. In the event of an increase in the redemption or repurchase charge a reasonable notification period must be provided by the Company to enable Members to redeem their units prior to the implementation of the increase.
- (g) Payment to a Member under this Article will ordinarily be made in the Base Currency, or in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be dispatched by the settlement date for the Sub-Fund as disclosed in the Prospectus.
- (h) If the Company is required to deduct, withhold or account for any tax in any jurisdiction (whether upon a repurchase of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a Member (whether in cash or otherwise), including any penalties and interest thereon the Directors may deduct or arrange for the deduction from the proceeds due to be paid to a Member of a cash amount equal to the liability or, in accordance with the procedures in Article 13 hereof, may arrange for the compulsory repurchase and cancellation of such number of shares of such Member as is sufficient after the deduction of any repurchase charges to discharge any such liability and the Directors may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require and the relevant Member shall indemnify and keep indemnified the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account.

- (i) On repurchase of part only of the shares held by any Member, at the request of the Member, the Directors shall procure that a revised confirmation of ownership shall be issued free of charge for the balance of such shares.
- (j) In the event that a repurchase of part only of a Member's holding of shares leaves the Member holding less than the Minimum Holding the Directors may, if they think fit, require that the Company repurchase the whole of that Member's holding.
- (k) If the Company receives requests for the repurchase of shares in respect of 10% or more of the Net Asset Value of a Sub-Fund on any Dealing Day, the Directors may, in their sole discretion, elect to restrict the total value of shares to be repurchased to 10% or more of the Sub-Fund's Net Asset Value. If the Directors elect to restrict the repurchase of shares in this manner then:
  - (i) all relevant repurchase requests will be scaled down pro rata to the value of the shares requested to be repurchased; and
  - (ii) subject to the above restriction, any shares which are not repurchased on a Dealing Day shall be treated as if a request for repurchase has been made in respect of such shares for the next and each subsequent Dealing Day until all of the shares to which the original request(s) related have been repurchased.
- (l) The Directors may, with the consent of the individual Member satisfy any application for repurchase of shares by the transfer to such Member of assets of the relevant Sub-Fund in specie having a value equal to the repurchase price of shares calculated and determined in accordance with Article 14 and 15.
- (m) A determination to provide repurchase in specie may be solely at the discretion of the Directors where the repurchasing Member requests repurchase of a number of shares that represents 5% or more of the Net Asset Value of the relevant Sub-Fund, provided that any such Member requesting the repurchase shall be entitled to request the sale of any asset or assets proposed to be distributed in specie, and the distribution to such Member of the cash proceeds of such sale less the costs of such sale that shall be borne by the relevant Member.
- (n) The nature and the type of assets to be transferred to each Member in specie shall be determined by the Directors (subject to the approval of the Depositary as to the allocation of assets) on such basis as the Directors in their discretion determine.
- (o) At any time after the Initial Offer Period the Company shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of shares in accordance with Article 11 hereof.
- (p) In the event that the Company is required to deduct, withhold or account for tax on a disposal of shares by a Member (whether upon a repurchase of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a

Member (whether in cash or otherwise), the Directors shall be entitled to arrange for the repurchase and cancellation of such number of the shares of such Member as are sufficient after the deduction of any repurchase charges to discharge any such tax liability and the Directors may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require. The Depositary shall ensure that the repurchase proceeds are held for the purpose of discharging any applicable tax liability as aforesaid.

- (q) Where the Company receives a request for the repurchase of shares from any Member in respect of which the Company is required to account for, deduct or withhold tax, the Company shall be entitled to deduct from the proceeds of repurchase such amount of tax as the Company is required to account for, deduct or withhold and shall arrange to discharge the amount of tax due.

### 13. TOTAL REPURCHASE

- (a) With the sanction of a Special Resolution of the Members of the Company or of a Sub-Fund or class, the Company may, by not less than four nor more than six weeks' notice (expiring on a Dealing Day) to all Members of the Company or the Sub-Fund or class, as appropriate, repurchase all of the shares of the Company or of the relevant Sub-Fund or class at the applicable Net Asset Value for such shares on such Dealing Day.
- (b) If so determined by the Directors, provided that not less than twenty-one days' written notice has been given to the Members of the Company, Sub-Fund or class as appropriate, the Company may, repurchase all of the shares of the Company or the Sub-Fund or a class, as applicable.
- (c) If all of the shares in the Company, a Sub-Fund or class are to be repurchased as aforesaid the Company, with the approval of the Members by Ordinary Resolution, may divide amongst the Members *in specie* all or part of the assets of the Company, the Sub-Fund or class according to the value of the shares then held by each Member as determined in accordance with Article 14 hereof.
- (d) If the Members do not authorise the Directors to issue further shares in the Company at any general meeting at which a resolution to approve such authorisation is proposed then the Company may, by giving not less than four nor more than six weeks' notice (expiring on a Dealing Day), within four weeks of the expiry of such period repurchase all (but not some) of the shares.
- (e) If all of the shares are to be repurchased as aforesaid and the whole or any part of the business or property of the Company, a Sub-Fund or class or any of the assets of the Company, a Sub-Fund or class is proposed to be transferred or sold to another company (hereinafter called "**the Transferee**") the Company, a Sub-Fund or class may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee for distribution among the Members, or may enter into any

other arrangement whereby any Member may in lieu of receiving cash or property, or in addition thereto, participate in the profits of, or receive, any other benefit from the Transferee.

- (f) Where a repurchase of shares pursuant to Articles 13(a) or 13(b) would result in the number of Members falling below two or such other minimum number of Members as the Companies Act may stipulate as the legal minimum number of members in a public limited company or would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain pursuant to applicable law, the Company may defer the repurchase of such shares, the repurchase of which would result in such number or amount not being satisfied, until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the aforesaid number and amount are satisfied. The Company shall be entitled to select the shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.
- (g) Without limiting the generality of the foregoing, the Directors may take either of the following actions or any reasonable additional or ancillary actions as they deem necessary in their absolute discretion to comply with FATCA or CRS (or any other law with a similar purpose): (a) require any Member to provide such information or confirmations as necessary from time to time, or (b) share such information with the IRS, the Revenue Commissioners or any other relevant tax or other government authority. Where any Member has failed to provide such information or confirmations as requested or is in any other respect deemed to be a recalcitrant account-holder for the purposes of FATCA or CRS or is for any other reason deemed not to be compliant with FATCA or CRS or would prejudice the Company's ability to comply with FATCA or CRS, the Company may repurchase and cancel the Member's shares and/or compel or effect the sale of those shares or take any other such actions as may reasonably be deemed necessary to enable the Company to comply with FATCA or CRS.

#### 14. **DETERMINATION OF NET ASSET VALUE**

- (a) The Company shall determine the Net Asset Value of the Company and each Sub-Fund and the Net Asset Value of a Sub-Fund attributable to a Class on each Dealing Day. The Net Asset Value shall be expressed in the Base Currency as a per share figure for the issue of shares and for the repurchase of shares respectively as appropriate and shall be determined in accordance with Article 15 hereof. In the event that an unhedged currency class of shares within a Sub-Fund is issued which is priced in a currency other than the Base Currency for that Sub-Fund, currency conversion costs on subscription and redemption will be borne by that class. The Net Asset Value of the Company is calculated by deducting the total liabilities of the Company from the total assets of the Company. Total assets include the value of all Investments held, the sum of any cash and accrued interest. Total liabilities comprise all liabilities including any borrowings, accrued expenses and any contingencies for which reserves are determined to be required.

- (b) The Net Asset Value per share of a Sub-Fund shall be calculated by dividing the assets of the relevant Sub-Fund less its liabilities by the number of shares in issue in that Sub-Fund. Any liabilities of the Company that are not attributable to any Sub-Fund shall be allocated amongst the Sub-Funds based on their respective Net Asset Values or on any other basis approved by the Depositary having taken into account the nature of the liabilities. The Net Asset Value of the Company is calculated by deducting the total liabilities of the Company from the total assets of the Company. Total assets include the value of all Investments held, the sum of any cash and accrued interest. Total liabilities comprise all liabilities including any borrowings, accrued expenses and any contingencies for which reserves are determined to be required.
- (c) Where the Directors determine to do so in the circumstances described more particularly in the Prospectus they may charge a Dilution Adjustment. The charging of a Dilution Adjustment may either reduce the repurchase price or increase the subscription price of the shares in a Sub-Fund. Where a Dilution Adjustment is made, it will increase the Net Asset Value per share where the Sub-Fund receives net subscriptions and reduce the Net Asset Value per share where the Sub-Fund receives net repurchases.
- (d) The Dilution Adjustment for each Sub-Fund will be calculated by reference to the estimated costs of dealing in the underlying investments of that Sub-Fund, including any dealing spreads, commissions and transfer taxes. The price of each class of share in a Sub-Fund will be calculated separately but any Dilution Adjustment will affect the price of shares of each class in a Sub-Fund in an identical manner.
- (e) The amount of any Dilution Adjustment will be reviewed from time to time by the Manager.
- (f) The Company at any time may, but shall not be obliged to, temporarily suspend the determination of the Net Asset Value and the issue or repurchase and conversion of Shares of any Sub-Fund:
  - (i) During any period (other than ordinary holiday or customary weekend closings) when any Regulated Market is closed which is the main Regulated Market for a significant part of the Sub-Fund's assets, or in which trading thereon is restricted or suspended; or
  - (ii) During any period during which disposal by the Company of Investments which constitute a substantial portion of a Sub-Fund's assets is not practically feasible or if feasible would be possible on terms materially disadvantageous to Members; or
  - (iii) During any period when for any reason the prices of any Investments of the Sub-Fund cannot be reasonably, promptly or accurately ascertained by the Company or its delegate; or
  - (iv) During any period when remittance of monies which will, or may be, involved in the realisation of, or in the payment for, Investments of the

Sub-Fund cannot, in the opinion of the Directors, or a delegate of the Company be carried out at the normal rate of exchange; or

- (v) During any period when the proceeds of any sale or repurchase of the shares cannot be transmitted to or from the Sub-Fund's account; or
  - (vi) During any period when in the opinion of the Directors such suspension is justified having regard to the interests of the Company and/or the relevant Sub-Fund; or
  - (vii) Following the circulation to the relevant Members of a notice of a general meeting at which a resolution to wind up the Company or terminate the relevant Sub-Fund is to be considered.
- (g) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations shall be made on the next Business Day which shall be a Dealing Day and all issues and repurchases of shares shall be effected on the next Dealing Day. Alternatively the Company may elect not to treat such second Business Day as a substitute Dealing Day in which case it shall notify all applicants for shares and Members requesting repurchase of shares who shall then be entitled to withdraw their applications and repurchase requests by the date stated in the notification.
- (h) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the Company, such suspension is likely to continue for a period exceeding fourteen days and any such suspension shall be notified immediately to the Central Bank and Euronext Dublin if applicable and in any event within the working day on the day of the suspension. Where practicable, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible.
- (i) A withdrawal of an application for the issue or repurchase of shares shall be effective only if written withdrawal is received by the Manager or its agent before the termination of the suspension.

## 15. VALUATION OF ASSETS

In determining the Net Asset Value the following principles shall apply:

- (a) Where a Sub-Fund is made up of more than one class of shares, the Net Asset Value of each class shall be determined by calculating the amount of the Net Asset Value of the relevant Sub-Fund attributable to each class. The amount of the Net Asset Value of a Sub-Fund attributable to a class shall be determined by establishing the number of shares in issue in the class, by allocating certain class expenses and fees to the class and making appropriate adjustments to take account of distributions paid out of the Sub-Fund, if applicable, and apportioning the Net Asset Value of the Sub-Fund accordingly. The Net Asset Value per share of a class shall be calculated by dividing the Net Asset Value of the class by the number of shares in issue in that class. Class expenses or management fees or charges not attributable to a particular class may be

allocated amongst the classes based on their respective Net Asset Value or any other reasonable basis approved by the Depositary and having taken into account the nature of the expenses, fees and charges. Class expenses or management fees relating specifically to a class will be charged to that class. In the event that classes of shares within a Sub-Fund are issued which are priced in a currency other than the Base Currency for that Sub-Fund currency conversion costs will be borne by that class.

- (b) In determining the Net Asset Value per Share of a Sub-Fund the securities of a Sub-Fund which are normally listed, traded or dealt in on a Regulated Market shall be valued at the closing or last known market price which for the purposes of the Company shall be understood to mean the last traded price as at the close of business on the Regulated Market which in the opinion of the Manager is the principal Regulated Market for such securities. Where a security is listed or dealt in on more than one recognised exchange, the relevant exchange or market shall be the principal or main stock exchange or market on which the security is listed or dealt on or the exchange or market which the Directors determine provides the fairest criteria in determining a value for the relevant Investment. Investments listed or traded on a Regulated Market but acquired or traded at a premium or at a discount outside or off the relevant market may be valued taking into account the level of premium or discount at the date of the valuation. The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.
- (c) In the case of any security which is not listed, traded or dealt in on a Regulated Market or the market price is unrepresentative or not available the value of such security shall be its probable realisation value as at the close of business which must be estimated with care and in good faith and shall be determined by a competent person appointed by the Manager approved for the purpose by the Depositary or such value as the Manager considers in the circumstances to be fair and which value is approved by the Depositary. Where reliable market quotations are not available for fixed income securities, the value of such securities may be determined using matrix methodology compiled by the Directors or competent person, who is approved for the purpose by the Depositary, whereby such securities are valued by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics.
- (d) Units or shares in collective investment schemes will be valued at the latest available net asset value per unit or latest bid price as published by the relevant collective investment scheme or if listed or traded on a Regulated Market, in accordance with (b) above.
- (e) Cash and other liquid assets will be valued at their face value with interest accrued or less debit interest, where applicable, to the Dealing Day.
- (f) Exchange traded derivative instruments will be valued based on the settlement price as determined by the market where the instrument is traded. If such settlement price is not available such value shall be valued in accordance with (c) above.

- (g) Forward foreign exchange contracts will be valued in the same manner as (f) above, or using value approved by the Depositary.
- (h) Notwithstanding the provisions of paragraphs (a) to (g) above:
  - (i) The Manager or their delegate shall, at its discretion in relation to any particular Sub-Fund which is a short-term money market fund, have in place an escalation procedure to ensure that any material discrepancy between the market value and the amortised cost value of a money market instrument is brought to the attention of the Manager or a review of the amortised cost valuation vis-à-vis market valuation will be carried out in accordance with the requirements of the Central Bank.
  - (ii) Where it is not the intention or objective of the Manager to apply amortised cost valuation to the portfolio of the Sub-Fund as a whole, a money market instrument within such a portfolio shall only be valued on an amortised basis if the money market instrument has a residual maturity of less than 3 months and does not have any specific sensitivity to market parameters, including credit risk.
- (i) Notwithstanding the generality of the foregoing, the Manager may with the approval of the Depositary adjust the value of any Investment if they consider that such adjustment is required to reflect the fair value in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant. The rationale for adjusting the value must be clearly documented.
- (j) Any value expressed otherwise than in the Base Currency of the relevant Sub-Fund shall be converted into the Base Currency of the relevant Sub-Fund at the prevailing exchange rate which the Manager or their delegate shall determine to be appropriate.
- (k) If the Manager deems it necessary, a specific Investment may be valued under an alternative method of valuation approved by the Depositary and the rationale/methodologies used must be clearly documented.
- (l) Any liabilities of the Company that are not attributable to any Sub-Fund shall be allocated amongst the Sub-Funds based on their respective Net Asset Values or on any other basis approved by the Depositary having taken into account the nature of the liabilities.
- (m) In calculating the Net Asset Value of the assets:
  - (i) every share allotted by the Company shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of shares allotted;
  - (ii) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration

excluded or included as the case may require as if such purchase or sale had been duly completed;

- (iii) where notice of a repurchase of shares has been given to the Depositary but such cancellation has not been completed the shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to the Directors upon such cancellation;
- (iv) where any amount in one currency is required to be converted into another currency the Directors may effect such conversion using such rates as the Directors shall determine at the relevant time except where otherwise specifically provided herein;
- (v) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable out of capital including outstanding borrowings (if any) but excluding liabilities taken into account under sub-paragraph (ii) above and any estimated liability for tax on unrealised capital gains;
- (vi) there shall be deducted from the assets such sum in respect of tax (if any) on net capital gains realised during the current Accounting Period prior to the valuation being made as in the estimate of the Company will become payable;
- (vii) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a Regulated Market or if no such price is available a price certified by a stockbroker or other person approved by the Depositary or such price as the Directors consider in the circumstances to be reasonable and which is approved by the Depositary;
- (viii) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
- (ix) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared and any unauthorised expenses;
- (x) there shall be deducted from the assets the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable including accrued interest on borrowings (if any);
- (xi) cash, deposits and similar investments shall be valued at their face value (together with accrued interest to the Dealing Day) unless, in the opinion of the Company and with the approval of the Depositary, any adjustment should be made to reflect the value thereof; and

- (xii) the value of the assets shall be rounded to such number of decimal places as may be determined by the Directors from time to time.
- (n) The Directors shall be entitled, with the prior approval of the Central Bank, to value the shares of any Sub-Fund using the amortised cost method of valuation whereby the Investments of the Company are valued at their costs of acquisition, adjusted for amortisation of premium or accretion of discount on the Investments, rather than at the current market value of the Investments.
- (o) Without prejudice to their general powers to delegate their functions herein contained, the Directors may delegate any of their functions in relation to the calculation of Net Asset Value to the Manager, to a committee of the Directors or to any competent person approved for the purposes by the Depositary. In the absence of wilful misconduct or manifest error, every decision taken by the Directors or any committee of the Directors or by the Manager or any duly authorised person on behalf of the Company in calculating the Net Asset Value shall be final and binding on the Company and on present, past or future Members.

- (d) The Directors may decline to register any transfer of shares unless the instrument of transfer relates only to one class of shares and is deposited at the registered office of the Company or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The Directors may decline to register a transfer where the transferee would be precluded from holding shares in the Company under the provisions herein contained.

The Company reserves the right to redeem such number of shares held by a transferor as may be necessary to discharge the tax liability arising. The Company reserves the right to refuse to register a transfer of shares until it receives a declaration as to the transferee's residency or status in the form prescribed by the Revenue Commissioners of Ireland.

- (k) A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS** that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other

- (f) The Company may establish a scheme whereby electronic means may be used by Members to appoint a proxy (the "**Electronic Proxy Scheme**"). ### 35. **WINDING UP**

- (a) If the Company shall be wound up or dissolved the liquidator shall apply the assets of the Company in satisfaction of creditors' claims in such manner and order as he thinks fit.
- (b) The assets of the Company available for distribution (after satisfaction of creditors' claims) amongst the Members shall be distributed *pro rata* to the holders of the shares of each class in the Company and shall be *pro rata* to the number of shares in that class held by them.

- (c) The assets available for distribution among the Members shall then be applied in the following priority:
- (i) firstly, in the payment to the Members of each class of each Sub-Fund of a sum in the Base Currency in which that class is denominated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange reasonably determined by the liquidator) to the Net Asset Value of the shares of such class held by such holders respectively as at the date of commencement of the winding up provided that there are sufficient assets available in the relevant Sub-Fund to enable such payment to be made. In the event that, as regards any class of shares, there are insufficient assets available in the relevant Sub-Fund to enable such payment to be made, recourse shall be had to the assets of the Company not comprised within any of the Sub-Funds;
  - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the amount paid thereon (plus any interest accrued) out of the assets of the Company not comprised within any Sub-Funds remaining after any recourse thereto under paragraph (i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Sub-Funds;
  - (iii) thirdly, in the payment to the Members of any balance then remaining in the relevant Sub-Fund, such payment being made in proportion to the number of shares held; and
  - (iv) fourthly, in the payment to the Members of any balance then remaining and not comprised within any of the Sub-Funds, such payment being made in proportion to the value of each Sub-Fund and within each Sub-Fund to the value of each class and in proportion to the Net Asset Value per share.
- (d) If the Company shall be wound up or dissolved (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may with the authority of a Special Resolution of the Company, divide among the Members *pro rata* to the value of their shareholdings in the Company (as determined in accordance with Article 14 herein) *in specie* the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind and may for such purposes value any class or classes of property in accordance with the valuation provisions in Article 15. If a Member so requests the Company shall arrange to dispose of the Investments on behalf of the Member. The price obtained by the Company may be different from the price at which the Investments were valued when determining the Net Asset Value and the Manager and the Company shall not be liable for any difference arising. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the liquidator shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but not so that any Member shall be compelled to accept any asset in respect of which there is a liability.

  - (ix) if the Directors or their delegate have resolved that it is impracticable or inadvisable for a Sub-Fund to continue to operate having regard to prevailing market conditions; or
  - (x) if the Directors consider that it is in the best interests of the Members.

  - (ii) The Investment Manager or sub-investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Sub-Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Sub-Fund as the Directors think advisable);
  - (iii) The Depositary shall, on the instructions of the Directors from time to time, distribute to the holders of shares of the relevant Sub-Fund in proportion to their respective interests in the relevant Sub-Fund all net cash proceeds derived from the realisation of the relevant Sub-Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the money for the time being in its hands the amount of which is insufficient to pay €1 or its equivalent amount in the relevant currency in respect of each share of the relevant Sub-Fund and provided also that the Depositary shall be entitled to retain out of any money in its hands as part of the relevant Sub-Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Sub-Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and
