Fund objective

The Fund aims to achieve long term growth by investing at least 70% of its assets in the equities and investments similar to equities of U.S. companies. The Fund is actively managed with reference to the Russell 1000 Index (USD) Net Returns of Withholding Tax 30% (the "Index") which it seeks to outperform by 1.25% over the medium to long term. Russell Investments/ Money Managers have full discretion to select investments for the Fund.

Fund update

Russell Investments, as the Investment Manager, adopts and executes the ideas of the selected third-party specialist investment managers through our in-house implementation team. The Fund is dynamically managed in alignment with our cycle, valuation, sentiment framework to take advantage of tactical opportunities within each manager's excess return cycle. The Fund is tilted towards companies that are high quality, small-mid capitalisation in size and domestically oriented.
