

## Charges

These charges are used to pay the costs of running the Fund, including the costs of marketing and selling. Overall, they reduce the growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None
Exit charge	None
Switching charge	2.00%
This is the maximum that might be taken out of your money before it is invested and before the proceeds of your investment are paid out.	
Charges taken from the Fund over a year	
Ongoing charge	3.10%
Charges taken from the Fund under certain specific conditions	
Performance fee	None

The entry and exit charges shown are the maximum figures. In some cases you might pay less - you can find this out from your financial adviser.

\*A contingent deferred sales charge will be payable if you sell your shares within a 6 year period.

The ongoing charge is based on the expenses for the previous 12 month period ending December 2024. This figure, which excludes portfolio transaction costs, may vary from year to year. Shareholders in the Fund will be subject to two layers of fees – at the Fund level and at the Master Fund level. However, there will be no management fee charged at the Master Fund level.

You can find out more details about the charges by looking at the "Charges and Expenses" section of the prospectus.
