**Investment manager:** Matthews International Capital Management, LLC

**Are there other particular risks you should consider?** The Risk and Reward Indicator does not provide an overall risk profile of the Fund, nor does it fully capture all the risks of investing in the Fund. Risks that you should consider include: market risk, interest rate risk, foreign exchange risk, settlement risk, valuation risk, credit risk, counterparty risk, liquidity risk, compliance risk, custody risk, operational risk, political risk, legal risk, regional and country risk, risk of investing in China A shares, risks associated with smaller companies, growth stock risk, and risks associated with investing in innovative companies. Investments in less developed financial markets may expose the Fund to increased operational, legal and political risk. For more details about risk, please refer to the Fund's Prospectus under "Risk Considerations," which is available at [global.matthewwsasia.com/prospectus](http://global.matthewwsasia.com/prospectus).

## Charges

### ONE-OFF CHARGES TAKEN BEFORE OR AFTER YOU INVEST

Entry Charge	Up to 5.00%
Exit Charge	Not applicable

This is the maximum that might be taken out of your money before it is invested/before the proceeds of your investment are paid out.

### CHARGES TAKEN FROM THE FUND OVER A YEAR

Ongoing Charges	0.75%
-----------------	-------

### CHARGES TAKEN FROM THE FUND UNDER CERTAIN SPECIFIC CONDITIONS

Performance Fee	Not applicable
-----------------	----------------

The charges you pay are used to cover the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

**Entry/Exit Charges:** The Fund may levy an Entry Charge of up to 5% on the value of your investment before it is invested in the Fund. In some cases you may pay an Entry Charge of less than 5%. Exit Charges are amounts taken out of the proceeds of your investment before they are paid out or invested in another sub-fund. All of these Charges reduce the size of your investment and your return. Actual amounts can be obtained from your financial advisor or distributor.

**Ongoing Charges:** The amount shown is based on the expenses for the Fund's financial year ended 31 March 2022. Ongoing Charges may vary from year to year. Ongoing Charges exclude portfolio transaction costs (including taxes and brokerage commissions) and any borrowing costs, which are payable from the assets of the Fund and may impact returns on your investment.

For more information about Charges please see the Fund's Prospectus under "Fees and Expenses," which is available at [global.matthewsasiasia.com/prospectus](http://global.matthewsasiasia.com/prospectus).

## Past Performance

**Calculation:** The bar chart shows the Fund's yearly returns against the MSCI All Country Asia ex Japan Index (USD). The returns of the Fund are provided for all the years for which performance data is available for the complete calendar year since its launch on 27 May 2021. The Fund's return figures have been calculated in USD, net of the ongoing charges (but do not consider any potential Entry or Exit Charges), and with distributable income reinvested.

**Interpretation of past performance:** Please note that past performance is not an indicator for future performance.
