## Fund objective

The Fund aims to achieve long term growth by investing in the equities of smaller-sized European companies. The Fund is broadly diversified across different European countries and industry sectors. The Fund is actively managed with reference to the MSCI Europe Small Cap Index (EUR) - Net Returns (the "Index") which seeks to outperform by 2% over the medium to long term. Russell Investments has full discretion to select investments for the Fund.

## Fund update

Russell Investments, as the Investment Manager, adopts and executes the ideas of the selected third-party specialist investment managers through our in-house implementation team. The Fund is dynamically managed in alignment with our cycle, valuation, sentiment (CVS) framework as well as to take advantage of tactical opportunities within each manager's excess return cycle. The Fund is tilted towards growth, quality and momentum.
