<sup>2</sup> Sub-advisers are current as of the report end date and are subject to change. Russell Investments has the right to engage or terminate a sub-adviser at any time without notice.

<sup>6</sup> As of March 31, 2023. Management expense ratio (MER) is based on total expenses (excluding commissions and other portfolio transaction costs) for the stated period and is expressed as an annualized percentage of daily average net asset value during the period.

<sup>7</sup> Reflects the annual rate at which dividends are being paid. It is the weighted average of each stock's annual dividend rate (including any one time special dividends) divided by the price of the stock as of March 31, 2024. Investment management fees, expenses and taxes are not included in this calculation that would have decreased the yield shown. Dividend yields can change based on the performance of underlying stocks.

\*Std. dev. = standard deviation. For definition of terms please visit <https://russellinvestments.com/ca/glossary-of-terms>.

\*\*Formerly known as Russell Investments Focused US Equity Pool. On January 3, 2023, the fund added tax-management to its investment objectives. Had this change been in effect throughout the period(s) described above, its performance may have been different.

## Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

All rates of return shown are for periods ending April 30, 2024. Rates of return shown for less than one year are not annualized.
