

Manulife Strategic Fixed Income Fund

Class W GBP (Hedged) Acc

The Fund

Investment objective

The Fund seeks to generate income with an emphasis on preserving your investment over the long term.

Policy

This Fund primary invests in investment grade or below investment grade fixed and floating interest rate debt securities across developed and emerging markets. Investments may be denominated in any currency and may use financial derivative instruments.

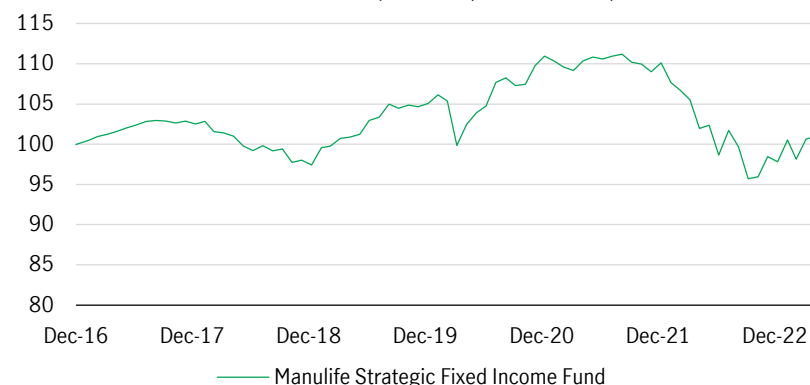

Philosophy

This Fund applies a truly dynamic, unconstrained, global approach to fixed income investing. Built on its core principle of risk control, it aims for high risk-adjusted returns with a volatility that is consistent with broad fixed income markets. By investing in global government, corporate and securitised debt across a range of currencies, including emerging markets and high yield securities, we believe we increase our potential to add value while reducing risk.
