Goal

To provide income and long-term capital growth primarily through exposure to Canadian and foreign equity securities and, to a lesser extent, exposure to fixed income investments.

Investment strategy

Russell Investments Diversified Monthly Income Class - US\$ Hedged (The Fund) invests primarily in Underlying Funds. The decision to invest in an Underlying Fund is based on Russell Investments' assessment of the market outlook and the Underlying Funds' ability to help the Fund meet its stated investment objectives.

Performance review (Series USD Hedged F-5)³ As at April 30, 2021

	Annualized								
	1 month	3 months	6 months	Year to date	1 year	3 years	5 years	10 years	Since inception
Series F	1.26%	3.78%	10.95%	3.18%	16.32%	5.55%	6.44%	-	6.82%

Annual Returns³

³ All Performance shown is for Series F-5 in US Dollars. Series F is a wrap or fee-for-service program and as such, the performance shown does not include the advisory fee paid by the investor to the dealer that would have reduced returns. Series F management fees are lower than Series B. Annual returns are calendar year returns for the last ten years or since inception if the Fund has less than ten years of history. Performance is annualized except for periods of less than one year.

Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

All rates of return shown are for periods ending April 30, 2021. Rates of return shown for less than one year are not annualized. All other data shown is as of April 30, 2021 with exception of Ten largest holdings, Holdings by sector and Regional weights which are as of March 31, 2021. Holdings may differ from a fund's holdings in its annual financial statements.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.
